**I. INTRODUCTION**

The Policy on Policies governs the development and oversight of all formal university policies. Administrators of University divisions are responsible for providing policies that ensure consistency, efficiency, and comply with pertinent local, state and federal laws. This Policy authorizes senior administrators to develop policies and outlines processes and procedures for doing so. Approved policies and procedures promulgated by senior administrators will apply to all members of the University community.

**II. POLICY OVERVIEW**

All policies and procedures adopted for administrative and operational purposes are the

University policies in the Policy Manual are organized by division. The division head is considered the responsible officer for the development and implementation of that division's policies.

Each responsible officer will annually appoint a policy liaison who will serve as the main
