4, 5. If you are requesting only the Military Service Deferment, a representative may complete and sign this form on your behalf if you are unable to do so. You, not a representative, must complete and sign this form if you are requesting the Post-Active Duty Student Deferment or both deferments.

If you are a member of the National Guard (including a member in retired status) during a time when a governor activated National Guard personnel for active state duty for a period of more than 30 consecutive days and qualify for a Post-Active Duty Student Deferment, but not the Military Service Deferment, you may request forbearance through your loan holder for your period of active duty service.

By checking this box, I request that my loan holder defer repayment of my eligible loan(s) beginning on the date I began performing the military service that qualifies me for the deferment and ending 180 days following completion of my qualifying military service.

By checking this box, I request that my loan holder defer repayment of my eligible loan(s) following the completion of my qualifying active duty service and any applicable grace period. My deferment will end the earlier of the date I resume enrollment at an eligible school on at least a half-time basis or 13 months following the completion date of my active duty service and any applicable grace period.

If I am also granted a Military Service Deferment, the 180-day period described above will run at the same time as my Post-Active Duty Student Deferment period. Therefore, I will receive no more than 13 months of deferment following the completion of my qualifying military service.

Enter the name of the school where you were enrolled on at least a half-time basis when you were called to active duty or within 6 months before the date you were called to active duty, and the date you were last enrolled at least half time at the school:
