

I. INTRODUCTION

University of Denver is designated as a pedestrian campus with the safety and welfare of the campus community in mind. The University recognizes the value of non-motorized and small motorized vehicles (as defined below) as environmentally friendly forms of transportation, however inappropriate use can cause injuries to persons and damage to property.

II. POLICY OVERVIEW

A. The University policy requires individuals using non-motorized and small motorized vehicles (as defined below) to operate these forms of transportation responsibly. As such, the following acts are prohibited:

1. Acrobatics;
2. excessive speed;
3. jumping (e.g. on or over steps, benches, and/or rails);
4. stopping or parking in a manner to block pedestrian paths, steps, ramps or access for those with disabilities;
5. attaching bicycle(s) to any object other than a University-provided bike rack;
6. skating or riding in buildings or any location where such activity is prohibited by signage, including but not limited to, parking garages; and
7. any activity which reasonably presents a risk of injury to persons or damage to property.

B. Community members using any non-motorized and small motorized vehicle on campus must:

1. remain on designated paths and paved surfaces;
- 2.

permit purchased. (See [University of Denver Permit Regulations](#)).
