

Find Medicare Coverage

GoHealth is here to help you find Medicare coverage. Not sure what to choose?
Explore all of your options.

Make sure you have Medicare Part D to cover the

same benefits as Medicare Part A & B. Some plans may offer Medicare Prescription Drug Plans

Part A

(Hospital Insurance) helps cover:

Hospital Care, Skilled nursing facility care, Nursing home care, Hospice, and Home health care, Durable medical equipment (like crutches).

Part B

Medicare Prescription Drug Plans - also known as Part D - provide individuals with the prescription drug coverage that fits their needs and budget. Each Prescription Drug Plan can vary in cost and drugs covered.

Medicare Supplement Plans can provide additional Medicare coverage to fill gaps from Medicare Part A & B. These supplemental plans can help cover out-of-pocket expenses.

Need help finding the right coverage?

GoHealth licensed insurance agents can help you discover additional Medicare coverage options.
