

Instructions for Proposing a Flexible Dual Degree Program

This form is to be filled out by students proposing a flexible dual degree program that links two master's degrees or a master's degree and a JD degree. See the full policy [here](#).

Students must submit the proposal for the flexible dual degree no later than one term prior to matriculation into the second degree.

Dual degrees must be pursued concurrently, not consecutively. To meet this requirement, students interested in pursuing a dual degree must be matriculated in both programs for one full academic year (three quarters or two semesters). Students in a one-year program must matriculate into the second program no later than the first admission term following fifty percent (50%) coursework completion of the first program.

Students are required to complete both degree programs within five years of matriculation in to the first program. Students must apply for graduation for both programs and both degrees will be awarded at the same time.

degree requirements), a detailed course plan showing all proposed courses _____ or requirements , and the credit hours; a one to two- page statement of the educational/career objectives stating the reasons for the specific course selection and which courses most clearly serve the educational and career goals of the student; and current official/unofficial transcript(s) showing any work a
