

We care about all of your dependents — even the four-legged ones. As part of your benefits, you can access MetLife Pet Insurance and have the option to cover multiple pets with our family plans¹.

MetLife is the only provider offering family plans² so you can cover pets with one policy. This option is an easy way to help you cover all your furry family members.

Flexibility

- Enroll up to three pets under one policy
- Customizable plan options
- Policies can be a mix of cats and dogs
- Optional Preventive Care coverage³

Coverage

- One annual limit that can be shared across all pets in the family plan
- One annual deductible per policy
- No per-pet coverage limits
- Up to 90%⁴ back on covered vet bills
