

University Programs that include minors are subject to the University's [Policy RISK 2.50.060 - Protection of Minors on University Premises and in University Programs](#)

- x First-time users should select New User? Register (just below the sign in and Forgot your Password?) to set up an account.
- x For those who have previously taken any United Educators training, sign on with your password or enter "forgot your password" to reset your password.
- x **Everyone will need to enter Branch Code: 692- 89902**
- x After you log in, select the course(s) you would like to complete, and follow the on-screen instructions.
 - x Protecting Children: Shine a Light
 - x Protecting Children: Identifying and Reporting Sexual Misconduct
 - x Protecting Children: Hiring Staff Who Work With Minors
- x After finding and choosing the proper course click "Start Learning", select the language you prefer, and start the course.
- x When you've completed each course you will receive an email with your course completion certificate, which you should print and retain as confirmation of successful completion of the course.
